Chain of Custody Policy

Pressprint Ltd commits to implementing and maintaining a robust Chain of Custody system within the company, for the handling of paper stocks certified under the FSC and PEFC schemes. The company affirms its intent to operate in a responsible manner; complying with social, health and safety requirements, and ensuring managerial, procedural, training and documentation practices are capably applied to guarantee accountability. This commitment is intended to foster confidence in our clients, and all other stakeholders, that all certification claims made by the company reflect the true origin of the source material. We respect and uphold the values of responsible forest management and are not involved, directly or in-directly, in trading illegal wood or forest products, or in forestry operations of any kind.

To these ends, we commit to meeting the requirements of, and maintaining compliance with, the following standards:

FSC-STD-40-004 (V2.1)EN
PEFC ST 2002:2010
